VILLAGE**
Sugar House

If additional services are needed,
we have two clinic sites close to Legacy Village.

Sugar House Health Center
1138 East Wilmington Ave.
801.581.2000

Madsen Health Center
555 South Foothill Blvd.
801.581.8000

HEALTH
UNIVERSITY OF UTAH

The Division of Family Medicine at the University of Utah is proud to partner with Legacy Village of Sugar House to provide residents with exceptional and comprehensive patient care.

We operate on a team-based care model and have been nationally recognized for patient satisfaction and our work in quality improvement.

Our providers are on-site Tuesdays from 12-4pm and Thursdays from 1-4pm and are conveniently located on the 6th floor. Legacy Village is also a training site for our 2nd and 3rd year family medicine resident physicians in geriatric care. Resident physicians will be in clinic on Thursday afternoons and are overseen by our supervising attending physicians, Dr. Charles White and Dr. Erin McAdams*.

We provide the following services:

- Routine exams
- Preventive care
- Health-risk assessments
- Screening tests (performed at alternate location)
- Personalized counseling on healthy lifestyles
- Management of chronic illness

Please call 801-213-5100 to schedule an appointment with Malea or Johanna on Tuesday or one of our Resident Physicians on Thursday.

*Please note that appointments cannot be made directly with Dr. White and Dr. McAdams. Appointments on Thursdays will be scheduled with the resident physician.

Meet our Providers

Charles White, MD – Medical Director, Attending Physician

Dr. White is a board-certified family medicine physician. He is also board certified in hospice and palliative care. He received his medical degree from The Medical College of Wisconsin in 2000. He completed his residency in Yakima, WA at Central Washington Family Medicine. Dr. White enjoys spending time with his wife and six children.

Erin McAdams, MD, MS – Attending Physician

Dr. McAdams is a board certified family medicine physician. She received her bachelor's degree in Biochemistry from DePauw University, a master's degree in Biology from Purdue University, and completed her medical degree at Indiana University. She completed her residency at the University of Utah. She enjoys spending time with her husband and friends and being outdoors.

Malea Satterwhite, PA-C, MPAS

Malea is a board-certified physician assistant specializing in family medicine. She received her bachelor's degree in Biology from Westminster College and her Master of Physician Assistant Studies degree from the University of Utah in 2010. Malea enjoys camping, boating, and fishing with her husband and children.

Johanna Greenberg, PA-C, MPAS

Johanna is a board-certified physician assistant specializing in family medicine. She received her bachelor's degree in English from the University of Washington and her Master of Physician Assistant Studies degree from the University of Utah in 2007. Johanna enjoys hiking, biking, skiing, gardening and traveling with her husband and sons.
